If you are not going to Algodones for treatment, cheap medicine, etc. There are reports that tourists were arrested for no reason, harassed and even robbed by the police in this area. All items are in stock and prices are correct at the time of publication. If you're not looking for a good place to drink, you'd better stay away from the local bars and keep the most touristy. Some products are sent to us free of charge, without incentive to offer a favorable evaluation. To make up for the difficult economy in America, you can't get arrested for some pretty ridiculous things and fined a lot of money for them. Are you going to the intriguing Algodones area soon? x green door bar in los algodones b.c is a bar in Yuma. We º manually select everything we recommend and select items through testing and p.
